

Milwaukee Metropolitan Sewerage District
North 30th Street Corridor Wet Weather Relief- East: Contract 2

The project is managed by the Milwaukee Metropolitan Sewerage District (MMSD) in conjunction with the City of Milwaukee Department of Public Works (DPW).

Important Detour Starts Tuesday May 30

Beginning **Tuesday, May 30, 2017**, the contractor, Super Excavators, Inc., needs to **close North 27th Street between West Capitol Drive and West Atkinson Avenue to ALL traffic in order to complete the project.** Traffic on North 27th Street will **be detoured to West Atkinson Avenue, North Teutonia Avenue and West Capitol Drive.** This closure will remain in effect for approximately 3 months, from May 2017 through August 2017.

The project began on August 15, 2016 and is anticipated to end in the fall of 2017. The contractor is currently working to install piping and pavement in North 27th Street. The work is part of the North 30th Street Corridor Wet Weather Relief Project.

Please see detour map below.
